A Collection of 20 Audio CD's

Purchased this because the school's book had been lost. Great book with wonderful stories. I enjoyed so much the one about a dog, and the one about a goat!!! Delivery was very prompt.

The book came in handy as reference material .I could refer to it if I had a question about the chapters that we were reading and needed further assistance and clarity .

very good, thanks.

Pleasantly surprised! I didn't realize how extensive this volume was going to be. It was far better than I expected. Much appreciated!

Great asset!

I was trying to return it... The school I bought this for did not except it....

Awesome!

Awesome deal
