Thanks

It's a beautiful book with a lot of great information on the Chateau's of Bordeaux. If you're into wine, it's a really nice book to have.

This really ought to be a quintessential book for those who love red clarets from Bordeaux. The pictures demonstrate what these chateaux should look like - which helps readers remember other important wine-making statistics. Tasting notes provide good guidance on recent vintages, including those yet to be released to the open market. A must-see for wine lovers.
