Clone Strike Starter Set (Star Wars Miniatures)

This is an ideal intro to Star Wars Miniatures, and it's pretty cheap too! If you want to get into Minis start with this one. The only problem is that the board is paper and prone to ripping. Laminate it and you're good to go!

What could be better than pre-painted plastic miniatures for your Star Wars roleplaying needs? I highly recommend these to anyone playing the game or just into collecting Star Wars stuff. The detailing is better than anything I could achieve if I painted them. Open a box and get ready to play!

This is a great set to start with. It is also good to use with the other sets. I have the Revenge of the Sith and the Rebel Strike. I love playing this game.
