Southeast Asia Cruising Guide Vol II

Synopsis

This is the only guide that covers the entire length and breadth of a region frequently visited by round-the-world sailors, many of whom leave Australia to head west. This edition concentrates on the most frequented routes and includes the most popular stops. There are hundreds of possible anchorages, brief details of the most popular are usefully summarised in tables. Introductory sections cover planning and the last part of the book deals with more general topics including advice on provisioning and on problems that are often faced by cruisers.

Book Information

Hardcover: 260 pages

Publisher: Imray,Laurie,Norie & Wilson Ltd; 2nd ed. edition (October 1, 2008)

Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #934,396 in Books (See Top 100 in Books) #47 in [Books > Sports & Outdoors > Outdoor Recreation > Sailing > Excursion Guides](#) #616 in [Books > Travel > Asia > Southeast](#) #818 in [Books > Sports & Outdoors > Outdoor Recreation > Boating](#)

Customer Reviews

A very good book, and well worth the money.i would have liked a bit more of personal comments on the various anchorages, the people etc.Very good and highly recommended

For the places which already existed at the time of writing, the information is of a very high quality and can be relied on. However, the development of new marinas, land reclamation projects, etc. in the region is so fast, that no paper book can keep up, and quite a lot of good new stuff is simply missing there.
