"The perfect gift for Star Wars fans of all ages" -The Awesomer Holiday Gift Guide Pick --Nerdist

Jeffrey Brown is a two-time Eisner Award-winning artist and writer of *Darth Vader and Son*, *Vader's Little Princess*, *Goodnight Darth Vader*, and *Darth Vader and Friends*. A lifelong Star Wars fan, he lives in Chicago.

For a die-hard Star Wars fan, such as my toddler, this is great because of the artwork and recognizable characters. "Good Night Darth Vader" flows nicely and my son can follow along. However, "Darth Vader and Friends" is written in a format that is hard to follow. It reads almost like poetry or a comic book - it's not an actual story, mostly scenes. My kid doesn't really get the jokes and my husband gets frustrated by the fact that the book does not flow well - especially while reading out loud to a small child. Sometimes my husband and I omit sentences or make things up

so that the story flows better. Instead of purchasing the boxed set for little ones, purchase "Good Night Darth Vader" separately.

My daughter loves reading these books before bed.

It's a interesting book for both adults and children.

My daughter absolutely loves these books.
