Uninvited: Living Loved When You Feel Less Than, Left Out, And Lonely, Study Guide

Synopsis

GOD WANTS US TO LIVE LOVED WHEN WE FEEL LEFT OUT, LONELY, AND LESS THAN. In this six-session video Bible study (DVD/digital video sold separately), Lysa TerKeurst digs deep into God's Word to help you explore the roots of rejection, the way other relationships get tainted because of a past rejection, and the truth about what it looks like to live loved. With biblical depth, gut-honest vulnerability, and refreshing wit, Lysa will take you on a visual journey in the Holy Land to some of the places where people of the Bible such as Hannah, David, and even Jesus lived and walked. Lysa will help you and your group to enter a place of healing and new perspective, as well as a time for you to go to new places with Jesus and experience him like never before. *Uninvited* reminds us we are destined for a love that can never be diminished, tarnished, shaken, or taken—a love that does not reject or uninvite. This study guide is packed with deep Bible teaching and includes guided video notes, group discussion questions, and between-sessions personal studies. Sessions include: Living LovedEmpty or Full? The Yoke of God Is Freedom Set Apart Remembering God's Presence Lessons from the Olive Bonus Session: Review and Celebration (No video) Designed for use with the *Uninvited* Video Study. 9781400205981 (sold separately).

I am a Licensed Marriage and Family therapist and I work with a lot of Christian women. THIS IS THE VERY BEST BOOK I've seen in awhile that I can use to help clients emerge out of the huge amounts of rejection women endure from their childhood and beyond. Great great job! A must read for ALL Christian women...I just need a version for men when you get time to produce one!

What helps me with a book is that it comes with a workbook. I like it, it's fun and can better understand the concept. If you are purchasing the book, remember to grab the workbook. If you think you're purchasing the book, DOUBLE CHECK that you are. I made the mistake of purchasing the workbook, which I thought I was buying the book.

Seven ladies at my church are studying this book & study guide. We're only on our 3rd week, but all of us are happy with the author & material. One of the ladies said that she also bought the CD and she listens to it while she is reading along in the book. I wish I'd bought the CD to do the same thing.PS....i am writing this review for my wife.

Amazing! No one has not experienced rejection at some time in their life. This book & study guide will help you on your road to healing from past rejections

Best book I've read. Helped me understand myself better and release a lot of shame that I've carried way too long. Highly recommend this book, especially to women. We can be way too hard on ourselves and other women. Must read!!!

Several girls and I are reading this each week and commenting on things that speak to us. it is a revealing book about ourselves and the damages that life brings, but we have a way out, thru Jesus Christ.

I really enjoyed reading this. It hit me where I needed to be hit as a single woman. It did get repetitive and drawn out at points, but still liked the points it made.

I bought this as part of a study group at work. It has been a wonderful source of hope and inspiration. Uninvited not only provided ways to deal with past rejection, but also helped to prepare for similar pains in the future. This is a book that you will want to buy in paperback so that you can

properly highlight it and write notes in the margin.
