# Creative Haven Floral Tattoo Designs Coloring Book (Adult Coloring)

## **Synopsis**

A skilled tattoo artist who appeared on season five of the Spike TV show Ink Master® presents more than 30 black-and-white versions of his innovative floral designs. Stylized images of roses, peonies, and other lush blossoms appear in large, full-page formats that are ideal for colorists looking for more sophisticated images. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, *Floral Tattoo Designs* and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Designer and professional tattoo artist Erik Siuda studied illustration at New York City's School of Visual Arts and is skilled in several media, including watercolors and digital arts. He manages Red Rocket Tattoo in Levittown, New York, and has appeared on season five of the Spike TV show Ink Master®.

This is creative haven floral tattoo designs book.your getting 31 images in this one.each image is on the front of the page on thick white paper.there is a precut line in the book to help you year out your pictures of you want to.none of the images run into the binding of the book to make for weird coloring. The images are large sizes which I have found nice to work on my blending and

shading.it's also nice to need to get out my fine pens for super tiny spaces too.this would be a great a beginners book to work with due to the size of the pictures and how well put together it is.I'm using prismcolor 72 ct pencils in this this book.I also keep another sheet of construction paper behind the page I'm working just out of habit.I've worked in other creative haven books and never really had problems with markers,pens or even highlighters bleeding onto other pages All of the images have flowers in them sometimes combined with other things like spider webs,candles,animals etc.there is more than flowers in it but floral is theme too.enjoy

This book has a lot of nice pictures to choose from that aren't too complex but not too simple either. Would definitely recommend to anyone who loves to play with different colors and layering and shading as the flowers make for good subject matter for that type of technique.

I bought this coloring book because I wanted something a little more detailed and mature to color. The artwork in this book is phenomenal! I definitely recommend this book to anyone who is looking for something a little more interesting to color with amazing artwork.

Another great product and addition to my shop I'm very pleased ÅfÂ Ä Å,Ã ËœÃ Â• Thanks u guys have a great dayÃfÂ Ä Å,Ã Â¤Ã â,ç

only books i buy anymore great books nice pictures and good paper and one side print love these books !

I love Creative Haven books! I got one for myself and one for a gift.

love to color still even at my age I just find it so soothing ..... hard to find books for adults and i love tats so ..... has some really great pics to color worth the cost - and if you love tats you may want one in the book

I wasn't sure if I would like this book. I love to color and this book has very nice art work. It will be very relaxing coloring in this book. A pleasant surprise. I would buy other books like this.
