Entertaining and educational. Definitely educational. You will learn.

Ha ha! What a hilarious book! I really loved Truss' style and dark humour! Whoever said punctuation could NOT be entertaining (you should be SHOT!). Oh gosh, now after reading this I'm being very cautious about where I put my bits! (I'm talking - marks). And even then, I'm sure I'll get it wrong. All in all, this is not only humorous, but very informative and a helpful, down-to-earth guide. Oh the comma, the poor, overworked wee thing! And SO important. I'm so glad I am not you!
