A Strange And Mystifying Story, Vol. 1

Synopsis

Akio Yamane's bloodline is cursed! Will his hot guardian deity break the curse or merely his heart in the process? Akio Yamane falls terminally ill, presumably from his family's curse. Remembering his grandfather's final words about their family protector, he follows the old man's instructions out of desperation and accidentally summons a god who promises to cure him – albeit in a rather odd and intimate manner! Akio Yamane's bloodline is cursed! Or at least that's what his relatives would have people think. Now feverish and delusional from a terminal illness, Akio accidentally summons his family's guardian deity. Little did he know this sinfully hot god would appear naked, sporting ears and a tail. Wait until Akio finds out the unconventional and rather intimate manner his protector plans on using to cure him!
