Customer Reviews

Yuki Tabata was born in Fukuoka prefecture and got his big break in the 2011 Shonen Jump Golden Future Cup with his winning entry, Hungry Joker. He started the magical fantasy series Black Clover in 2015.

This is an awesome series. I started to read this online. But I wanted my own copy I could read anytime and anywhere.

Love this chapter and can't wait for the next!

Just Awesome!!

~3.5/5 The big fight in the middle of town continues through this volume. Everyone is split up and fighting someone else somewhere else in town. At one point several of the good guys (supposedly) get transported outside of town. Asta is trying to protect a little girl, and continues to surprise people with his anti-magic power. There's a nice point where we see development in Yuno's power. We're only getting real glimpses of him in comparison to Asta, but I like Yuno. Those two are similar in odd ways. There's also a scene between Yuno and Charmy, the "little" girl who is obsessed with food. It was a fantastic scene, too. And then we end on a cliffhanger. I am enjoying this series, oddly enough. It's pretty typical shonen, nothing new or surprising, and it could use some work at times. But the pace and the characters are getting better as the series goes. It's fun to read. A review copy was provided by the publisher, VIZ Media, for an honest review. Thank you so, so much!
