Customer Reviews

In 2000, Teach for America alumnus and Yale graduate Zeke Vanderhoek had a radical idea: students learn better from better teachers. His vision of what test prep could be if written and taught by great educators led him to start Manhattan Prep. Since we began, Manhattan Prep has grown from a boutique tutoring company to one of the world's leading test prep providers, offering GMAT, GRE, LSAT, ACT, and SAT courses and tutoring worldwide. We believe test prep should be real education. From our instructors to our materials, we work to teach you the skills you'll need to succeed on the test, in school, and beyond.

The sentence correct guide was absolutely excellent! The CR guide is okay, I could do without it. The RC guide is very helpful as well.

The books are really amazing. What pissed me off though was that my Sentence Correction book came with a used access code. The entire point of buying a new book is to have access to online test material

really helpful

Very good quality, delivered on time!

This product is not as helpful for ESL. Some of the information provided was common sense.
