Mrs. Simmons, I am just beyond amazed if she's didn't tell my story I was Dominique and sure there's many more singles can testify that they too are or, was, Dominique I am going to recommend this book to the singles president of my church if she doesn't buy this book I am

personally going to buy 50 copies for the single dept. That's just how good this book is and will bless them I do hope Paige get her book, Love Deliver again.... That's your next title...Lol I was saved at 26 yrs old single, with a child, and married at 48 yrs old (first marriage) but God, He kept me purified until I got married. This is a must read to let you know delayed doesn't mean denied, whole on God is faithful. Theresa Cartwright Lands

OMG! This was such a cute, fun-loving romance. This story will surely encourage those who are single and ready-to-mingle. The characters, Dominique and Ashton are successful and strong in their faith. Each have the same desires but as always road bumps, twists and turns interfere. Download this book to see the wonderful way that author Pat Simmons delivers yet another amazing Christian romance! Five stars!!!!

I don't even know where to begin this book was phenomenal. Dominique & Ashton are an ideal Christian couple(I've never blushed, squealed and laughed so much while reading a book lol). So relatable in so many ways. We as women have so many preconceived notions of this fairytale fantasy relationship that are completely unrealistic. To expect a man to be our everything(when only Christ can meet that need) is setting ourselves up for major disappointment. All i could say was Ouch &Amen!!! So many great elements to this book from practical to spiritual advice. Thanks for blessing our spirits and warming of hearts. I too am holding onto hope for a godly husband and both Dominique & Ashton were such lovely examples of trusting God in their obedience to wait & not settle for just anyone. Please make a sequel to this beautiful story, we'd like to know how the wedding transpired and if Paige met her Boaz. Love this book on so many levels. Keep up the awesome work. God Bless you!

I truly loved this book, but I must admit that the main character, Dominique, got on my last nerve in the beginning. It goes to show you that you have to walk in someone's shoes to stop being so judgmental. Its a beautiful love story of trust, first in God and then each other. Very well written.

I loved this book. It's so refreshing to see two Christians both desiring mates but also wanting Gods will in the choice. Dominique felt she was forgotten by God because of praying so long for the right man. Ashton wanted a wife but not just any one, only one who would be beside him forever. They met in a surprising way, not how either imagined, but then that's the miracle of God. No spoilers, Read this story and enjoy the journey.

I am never disappointed reading anything by Pat Simmons. Reading. "Love by Delivery" is a story of patiently waiting and listening for directions from God. Ashton & Dominique were looking for lasting love. Their story is sweet and refreshing.

I enjoyed Love by Delivery. I really enjoyed Dominique and Ashton's commitment to God while dating and finding a spouse. I like how Ashton was sensitive to Paige's feeling and including her with their plans. One big theme to me was communication. Dominique and Ashton had to work on communicating. I hope the next book will be about Paige or even Sister Carr.

Another great love story by Mrs. Simmons. This story shows if you are patient and wait on God; he will give you your hearts desire. If you are looking for a heartwarming story then is for you.
