Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including a series of country, regional and city maps of Africa.

I'd give it a 5 star if it were waterproof but it is not easy to find a map of Mali prior to getting there.

I bought this map thinking I could hang it on my wall in my office as a way of studying the entire country. This map has western Mali on one side and Eastern Mali on another. I am going to return this item.
