# Jaden Toussaint, The Greatest Episode 3: Muffin Wars (Volume 3)

## Synopsis

Question: What's a five year-old genius' worst nightmare? Answer: Another five year-old genius. Jaden Toussaint, 5 year-old scientist and all around cool dude, has finally met his match. His cousin Muffin is every bit as epic as he is--maybe more! Will Jaden Toussaint keep his cool? Will life as we know it end as a result? Will anyone ever eat his Super Sneaky Seven Fruit Fruit Salad Muffins? Find out in Episode 3: Muffin Wars. Fans of Junie B. Jones, the Magic Tree House, Dan Gutman, and Franny K. Stein will love the Jaden Toussaint series of illustrated chapter books. They are hilarious and empowering for kids and grown-ups alike. Get your copy today. #SmartistheNewCool Book Contains: Science? Check. Jokes? Check. Great hair? Check. Seriously awesome illustrations? Check.

Grade Level: Kindergarten - 4

## Customer Reviews

Our two year old looked at the cover, pointed and asked "me, mommy?" There is something so very special about children being able to see themselves in literature and I am thankful for Jaden Toussaint and his adventures! Every child should read this series.

This is the third in the Jaden Toussaint series I've read with my 8 year old son. Now he's asking for

more. We download free ebooks from the author's site, and the second one really had a great layout for an illustrated ebook. The story and illustrations for this book, and the whole series is 5 star worthy. But, this book we bought as the kindle version, and the layout suffered, and wasn't as enjoyable as the previous ebook from the author. The illustrations are really great, and it's a shame to see them all shrunken and out of scale. It should really be edited properly for the kindle format. Otherwise, great series! Probably best for ages 6 to 9. Love the braniac, afro-wearing main character. My son definitely relates.

"Say, I love you. I love the book. I think it's so fun. I like it because he says les toilettes. Hahaha! And she never ate muffins and her NAME is Muffin! Hahaha! The Jaden Toussaint books make me laugh."

Love the Jaden Toussaint series of books. I bought these for my second grader and we enjoy reading about Jaden's adventures every evening before bed! Definitely a must have for your little one!

Really great mystery series. My kid is in 3rd grade and loves the series of books

Bought 1-3 for my nephew and the day he began reading them, he really liked them. The images and font are in black and white. My nephew is 8 and he got through a good chunk of the comic within several minutes. It may be an easy read, but I love that it's representing adventurous black and brown boys.

My third graders are gigantic fans of Jaden...so many literacy strategies encountered in this fabulous text, and what a likeable and relatable character. Spectacular!

Since I am familiar with this author and the works presented, I am at ease and can enjoy this work of literature. Older readers can enjoy this once they know how to read and can understand what they read. The little kids will not. Something to keep on the shelf for such a time.
