John M. Cooper is Henry Putnam University Professor of Philosophy, Princeton University.

Interesting reading!

A good philosophical book. A lot of interesting points to get someone thinking. A lot of it can be related to the present day, which in some aspect is frightening. If it wasn't for my history class, I'd never have read it though.

I purchased this book for a class, and it was a very good read! It wasn't too hard to understand and was actually pretty interesting!

How can you not enjoy this classic. The convenient size makes it easy to carry around whenever I need.

great product and very fast delivery A+++

Excellent, brainy read of ethics in society. Pleasure reading for takeaways to lead a ethical, moral life.

This is where it all starts. Come on why even bother reviewing

Well pleased! Thanks.
