Sleep In Peace (Paperback)

Synopsis

This charming book-length poem is the perfect bedtime story. It assures the child trying to put off the inevitable that no matter where or how they live, everybody goes to bed sooner or later. Children learn that, just like them, kids around the world are going to bed too. And, just like them, God watches over all children as they "sleep in peace."

This is my go to book for baby shower gifts! I love the repetition of the words paired with the colorful illustrations. All around wonderful children's book with a great message! May it never go out of print!

First heard of the book when I attended a lecture given by Ms Hess. The illustrations are beautifully done and show how no matter who we are or where we live we are alike in many ways. A beautiful book that I will continue to give as a present

SLEEP IN PEACE is the winner of the Rodda Award for 2008 given by the Church and Synagogue Library Association. This beautifully written and illustrated book exemplifies strong spiritual values as it pictures children from all over the world as they peacefully go to sleep at night. Ingrid Hess very skillfully combines her beautiful rhyme with the powerful illustrations that will appeal to children of diverse backgrounds.

Sleep In Peace by Ingrid Hess helps little ones to feel comfortable and safe with people who look different than they do. Promotes equality among diversity by illustrating people from other nations on the pages of this slender but charming book to help children recognize people who do not look like them!

Sleep in Peace has become my favorite children's book. I have given it as a gift many times and find myself continuing to order more. It is beautifully illustrated as well as written. The rhythmic verses are very appealing. It touches me in a meaningful way each time I read it.

Beautiful bedtime story. Love the pictures!

Bought for my preschool grandson who was having trouble sleeping. It has beautiful pictures and talks about people everywhere needing rest.

My daughter received this for Christmas and we have thoroughly enjoyed it. The text encompasses all of the parts of the day for all creatures around the world. The illustrations are beautiful, the words are peaceful and inspiring, and it's the perfect way to send my daughter off to bed. Beautiful!
