Just what I wanted

Fun map!

All you would expect and readable too.

Wife and her sisters used no complaints.

Great map and easy to understand

One of those extremely clever items. Small enough to slip in your pocket and easily opens out to find your way

Easy to read and understand.

This is listed as the 2017 edition, but I received the 2016 edition instead. After requesting an exchange for the correct edition, I received the 2016 AGAIN! I am very disappointed.
