## Customer Reviews

I have most of this artists books. As soon as they are available I run ahead and purchase them, always pleased. The designs are a mix of simple and moderate difficulty but what i like most is that the pictures lend to a more creative coloring. Giving space to blend, shade and maybe even add some doodles if your inclined. And seriously, you get 2 of each picture, one with night/dark/black backgrounds---a great value. I highly recommend if you enjoy cute art, if you enjoy cute art and swears look at her other books!

So kawaii! I love the illustrations in this book, they are so cute! The sayings are nice too, but I bought it for the cute illustrations to color. They are single sided pages, with medium weight paper. It is nice that there are a black and white version of the pages to color. I would recommend this book for any aged person.

Adorable, perfect gift for the younger colorist in your life. I picked this one up for my niece, who

picked it out herself for me to put aside for one of her Christmas gifts this year. The images are so cute!

This is a fun book with great artwork! This is one of my favorite artists and I really love this book.

This book is adorable!!! I love how she designs her pages. The inspirations are great.

Cute coloring book.

Well made coloring book with the cutest images. The cover is so pretty. I just LOVE this artist and I will continue to buy her coloring books.

Love this coloring book!! Hours of enjoyment.
