Book is good size for purse for travel, and is excellent quality. Puzzles should be rated "hard", not any other combination of "Easy, Medium or" as a result neither my friend or I were able to do any of the puzzles on our most recent trip. We had to purchase other puzzle books from the airport concession stand. I am a "medium" level puzzler and my friend is a "hard" level puzzler.

Love this series of crosswords.

I bought this for a gift for my sis who loves crosswords. It is really lovely and fits nicely into a handbag. Not for someone who does not see good as the puzzles are a little small but would definitely recommend to anyone who loves crosswords and makes a great gift

I love these puzzle books. I can throw it in my purse and always have something handy to do when waiting in a doctor's office or somewhere else.

Very good book and handy size, perfect difficulty. Nice looking and great value for money. Great series. Recommended. Thank you

These are always good
