The First Crusade: The Call From The East

Synopsis

According to tradition, the First Crusade began at Pope Urban II's instigation and culminated in July 1099, when western European knights liberated Jerusalem. But what if the First Crusade's real catalyst lay far to the east of Rome? Countering nearly a millennium of scholarship, Peter Frankopan reveals the First Crusade's untold history.

This is a fantastic book, and groundbreaking for the historiography of the First Crusade. A must read for anyone who wants to do any serious study about the First Crusade.
