## **Customer Reviews**

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.

perfect for hubby

Good size. Nice paintings. Color saturation of the printing is not that great. Both American and

Japanese planes depicted in the art. Probably would not order for next year.

It's smaller than I expected. They need to add measurements.

Beautiful pictures!

Art! Great Paintings!

On time as described
