Good- goes more on depth than I needed though

Absolute must have for bankruptcy class, my case book was nothing but case after case of interpretation and the statutes are very cryptic. This book does a great job of explaining and interpreting the rules with very useful explanations. Highly recommended.

Great. I didn't even use my textbook at all, just used this book and it worked out really well.

I felt like I learned bankruptcy in 2 days thnx to this book. Very well written compared to other supps.

All I can say is I used this book and Q&A and got an A in bankruptcy! No, not my norm. :-)

Excellent reference book.

Very helpful. Definitely worth the money.

Very Good
