The Swoly Bible: The Bro Science Way Of Life

Synopsis

From the muscle god who launched the YouTube channel Bro Science Life comes the only book that will teach you everything you need to know about getting swole. For years bros, meatheads, and gym rats around the world have posed pressing questions: What can you bench? Can I skip leg day? What goes in this protein shake? And, importantly, do you even lift, bro? At long last, answers to these questions and more can be found in one handy volume - The Swoly Bible, written by the Internet's favorite gym expert/literary genius, Dom Mazzetti. In it, Mazzetti lays out the truth about how to make gains in the gym and in your life, including: How to get hyped for a lift The true meaning of meal prep How to eat chicken without wanting to kill yourself The best tips for taking a postworkout selfie How to get your girlfriend to start lifting Why Crossfitters are the worst And much more Written in Dom's signature comedic voice, The Swoly Bible is the perfect gift for anyone in your #fitfam.

Customer Reviews

Some say he is the first ever to successfully bench "all of it", others may say he is the patriarch of the church of iron, i.e. Pope trenaddict. All I know is that he is the professor, and he will be the first ever illiterate best selling author.

If you don't buy it you are contributing to the obesity and lack of gains in America.

If you have followed the videos it's basically just a transcription of what he says in the videos to written form. Funny stuff, don't get me wrong, that's why I gave it 3 stars. For a bro in your life that might not have been following Dom on YouTube you will get more than a few chuckles.

Great Customer Service, Great Product! Funny Humor Book - Do Not Expect Knowledgeable Information! Good Jokes! THANKS !
