Dublin: The Ultimate Dublin Travel Guide By A Traveler For A Traveler: The Best Travel Tips; Where To Go, What To See And Much More

Synopsis

Congratulations! You've Found The Ultimate Travel Guide To Dublin. Why You Need Lost TravelersFirst, we would like to thank you for considering Lost Travelers as your guide book. Allow us to explain our beginnings and the reason we created Lost Travelers. Lost Travelers was created due to one simple problem that other guides on the market did not solve; loss of time. Considering it's the 21st century and everything is available online, why do we still purchase guidebooks? To save us time! That's right. Since the goal is to be efficient and save time, we did not understand why there are several guidebooks on the market that are of 500 to 1000 pages long. We do not believe one needs that much bluff to get an overview of the location and some remarkable suggestions. Considering many guidebooks on the market are filled with "suggestions" that were sponsored for, we have decided to take a different approach and provide our travelers with an honest opinion and decline any sort of sponsorship. This simply allows us to cut off any nonsense and create our guides the Lost Travelers style. Our mission is simple; to create an easy to follow guide book that outlines the best of activities to do in our limited time at the destination. This easily saves you your most valuable asset; your time. You no longer need to spend hours looking through a massive book or spend hours searching for information on the internet as we have completed the whole process for you. The best part is we provide you our e-guides for one-third the price of the leading brand, and our paper copy for only half the price. "The World Is A Book And Those Who Do Not Travel Only Read One Page" - St. Augustine

Thanks again for considering us, we hope you enjoy! Here Is A Quick Preview Of Our Guide

Customer Reviews

This book is marvelous. It seems to cover everything a traveler may need or want to know about a visit to Dublin. Thankfully, like most travel guides this book isnÃƒÂ¢Ã ¬Ã â„¢t made out of lengthy explanations of the history or descriptions of places. I think a travel guide should have ÃƒÂ¢Ã ¬Ã ËœtravelÃƒÂ¢Ã ¬Ã â„¢ related information not knowledge in history or such stuff. They are for finding out in person when you visit the place. This book has real travel information, with links to allow for easy booking online.

I've never traveled outside of the United States so I've been looking into various travel destinations for my next vacation. I needed a guide to inform me on the best hotels, restaurants and activities. This travel guide was exactly what I was looking for and it even provided me with emergency contact numbers. I'm very pleased with the information on Dublin and I'll be using this during my adventure.

This guide covers lots of interesting places and things to do in an easy to read format. So is well worth reading before your trip. The only bad thing about the book is the writing - bad grammar and a number of typos. But if you ignore that you can find all the info you'll need for your next trip to Dublin.

The book is very thin, not quite what I expected, but I got it for my Granddaughter and she likes it. She is not a reader and appreciates the brief descriptions of things. It does list a lot of prime destinations and has some good make sense travel tips.

Dublin can be a hard place to navigate, especially if you aren't a native there. Fortunately, this served as a great guide for me when I went to Dublin and the author does a great job of explaining how to get to places and how to ultimately survive in a different land.

Very thin and poorly written book, with little of substance. 54 pages, including pages for "notes" A complete waste of money.

The book is an amazing travel guide to Dublin. Its has an ultimate list of the city sights, places to eat, list of hotels, pubs, safety tips and survival guide.

Very thorough and excellent baseline of info, including some helpfully candid recommendations
