Customer Reviews

great little book full of helpful hints for the game!!

Cool game and with this book you can learn new tricks.

I was given a copy of this and was pleased to find that it's written by somebody with whom I used to work! He is excellent at word games, and this little book explains why. It is full of brilliant tips for improving your game, genius word ideas and also suggestions for other Bananagram games! I'm pretty terrible at word games, but thanks to this book I now have a few top tricks in my arsenal which never fail and my Bananagram game has improved no end! Plus the book itself is a witty and fun read!
