Beautiful Stories From Shakespeare

Synopsis

"Prospero, the Duke of Milan, was a learned and studious man, who lived among his books, leaving the management of his dukedom to his brother Antonio, in whom indeed he had complete trust. But that trust was ill-rewarded, for Antonio wanted to wear the duke's crown himself, and, to gain his ends, would have killed his brother but for the love the people bore him. However, with the help of Prospero's great enemy, Alonso, King of Naples, he managed to get into his hands the dukedom with all its honor, power, and riches. For they took Prospero to sea, and when they were far away from land, forced him into a little boat with no tackle, mast, or sail. In their cruelty and hatred they put his little daughter, Miranda (not yet three years old), into the boat with him, and sailed away, leaving them to their fate." -- From "The Tempest" --This text refers to the Kindle Edition edition.

Book Information

Audible Audio Edition

Listening Length: 5 hoursÂ Â andÂ Â 1 minute

Program Type: Audiobook

Version: Unabridged

Publisher: Alcazar AudioWorks

Customer Reviews

My eight year old and I like this one better than Lamb's version. It is easier for her to understand because it is written in a more modern English style.

A good adaptation of Shakespeare for my 9 year old. We didn't read them all but those we read she liked.

Short and sweet, keeps some of the traditional language.

Thank you

This is the most beautiful essay on love..written years ago...and easy to "consume"...wonderful little book!!

"Beautiful stories from Shakespeare" is really beautiful, and I can understand it perfectly. I especially loved the play "much ado about nothing"

This book is a very quick way to find out what a Shakespeare Play is all about.Yvonne Barrett

The book "Beautiful Stories from Shakespeare" by E. Nesbit is very good. The condition is perfect.
