Nolo's Deposition Handbook

Synopsis

Getting deposed? Conducting a deposition? Here's the book you need to take the mystery out of the deposition process and answer questions with confidence. You'll even learn the three "golden rules" for answering questions and the trick questions lawyers often use to influence testimony. A perfect book for law students, lawyers, legal assistants, witnesses, expert witnesses, and anyone who wants to represent themselves in court, Nolo's Deposition Handbook provides all the information you need to sail through the deposition process with confidence. This edition contains updated statutes, cases, and rules -- plus, new material on "electronic discovery" which applies to information stored in computers, including records and emails.

Customer Reviews

"The nation's largest publisher of self-help legal books and software." The Wall Street Journal "Nolo helps lay people perform legal tasks without the aid or fees of lawyers." USA Today "Nolo's Deposition Handbook uses clear and simple language to provide suggestions and advice on depositions. The handbook explains what will happen at a deposition and offers instructions for how to respond in different situations. Example scripts are used throughout the text to illustrate a variety of topics including the three "golden rules" for answering questions and tricks that lawyers may use to affect your testimony. It also explains how to arrange depositions dates and prepare ahead of time. The sixth edition includes sections updated with the latest statutes and a new section on electronic discovery.

This guide is beneficial for anyone facing a deposition whether they have a lawyer representing them or not." Eithne O'Leyne, Editor Ringgold, Inc. ProtoView

Whether you are a witness or an attorney, with Nolo's Deposition Handbook, you'll learn useful tips for defending and conducting depositions, including a few "golden rules" for answering questions and a description of some of the trick questions lawyers often use to influence testimony. 6th Edition.

good book to read practice

Good book to get rid of your jitters.

Excellent book with lots of great advice and counsel.

Excellent prep-guide not only for civilians, but new lawyers as well. Taught me a great deal.

I won my depositions because of this book!
