Customer Reviews

The habits that will change your life forever, has one flaw. If there is no human there to help keep your enthusiasm up and running. You may start to let the habits start to slide. I encourage everyone to read and use the suggestions in spite of my own "back sliding." Give it a try, I hope you can stick to it better than I can.

If you struggle with the monotony of every day life; wondering why you aren't feeling God or Holy

Spirit working through you: this is the book for you. What great insight into ways to make it work for you. I love it. I have a jail Ministry that God has led me to and I have been considering a curriculum to work with. This is a great outline to take there. So thankful that I finally took the time to read this great resource. Thank you

Giving up the world to follow Christ, praying without ceasing, letting the Holy Spirit lead you. This and so much more in this small book, so full of wisdom. You have not, because you ask not.

Okay product...can't say that it added to my personal knowledge...

This book is a must for all believers....but only if you truly want a closer and deeper relationship with Jesus Christ. Very good book !!!

Change only comes when we really seek it. First we must know whom to believe if we are seeking change. Second we need to know a true source we will believe in and pray that as we find the answer we are willing to follow it. Then third and as the Lord leads us we are to follow each step with care and make sure it is relating to what we want to correct. We should feel and believe that we are making the change as we see our lives beginning to change. Sometime change will come quickly other times very slowly the main thing is that change is coming. Habits are hard to break But With God all things are possible. Amen.

Great read. Simplifies some things and gives you solid things to work on daily. Highly recommend for all followers of Christ.
