The Epic Of Son-Jara: A West African Tradition (African Epic Series)

Synopsis

"... a major addition to the literature on oral traditions." *Journal of Religion in Africa* This 750-year-old epic celebrates the exploits of the legendary founder of the Empire of Old Mali. It constitutes a virtual social, political, and cultural charter and embodies deep-rooted aspects of Mande cosmology. The fully annotated translation is accompanied by an introduction that provides a historical and contextual framework for understanding the recitation of this African epic.

" ... a major addition to the literature on oral traditions." - *Journal of Religion in Africa*

Text: English (translation) --This text refers to an out of print or unavailable edition of this title.

Purchased this for a college class and it came in looking brand new. The class ended up getting cancelled so I have yet to read this.

Book is great shape as advertised. Very fast shipping. Overall a really good transaction. Will order from again if I have the chance.
