## Customer Reviews

Book by Cooper, J. David, Pikulski, John J.

My kids have used Houghton Mifflin Reading books for 3 years, and the quality of the book as well as the stories are superb. The stories help to enforce history as well as culture, both of which are an added bonus to the reading skills obtained in this text book.

I homeschool my granddaughter and she is a reluctant reader, she struggles with books and stories that are too challenging but gets bored and doesn't want to finish books or stories she thinks are "babyish". This book is just right, we have used Houghton Mifflin reading books for three years now and they are always good.

Great reading anthology

very good condition!! Thank you

## WE USE THIS FOR HOMESCHOOLING

We purchased this book so my child does not have to carry it back and forth to school where it is a larger and heavier book. It has worked out great. Fast shipping and great transaction.

This book is in excellent shape. I was very satisfied with the quality. It is in better shape than the one my son has from his school.

wonderful!
