This book is a bit like having the highlights of the Christian Holy Bible compiled in one volume, but that is not a good analogy. Whereas the Holy Bible is full of history, stories, and parables, this Baha'i scripture is expository in nature.

Great book!

This the most beautiful book I have ever read. It has been transforming my life and educating me

since I first read it forty years ago.

"Gleanings from the Writings of Baha'u'llah" are words of deep wisdom from one of the messengers sent by God to enlighten humankind (in the line of Buddha, Christ, Muhammad, etc.). Or so the Bahai's, of which I am one, believe. Even if you're not a believer in Baha'u'llah's status as a messenger from God, you can't argue with a lot of his words, which still resonate today as much as they did in the 19th-century Middle East. He calls for kindness, peace, and universal brotherhood/sisterhood. These are noble ideals for people of every religious persuasion.

I am please and enjoying it very much. I play it every night at bedtime and I gently go of to sleep. The readings fill my soul. The reader's voice is clear and seems moved by the Words of God. I certainly gave it 5 stars!

wow! what power...

It's everything I hoped for and more. Book arrived in good time in good order

Excellent
