Customer Reviews

I already had Gregg Bromka's book, "Mountain Biking Utah" so I was not surprised at the quality of this book. I was surprised at the extent that Park City, Utah has developed the ski mountains into a summer mountain biking area. Gregg recommended the Park City Trail Map and I obtained one. It is very good also. Living in CA means I will not be traveling to Utah for biking until mid-May but I am sure I am armed with good information for mountain biking in Park City.
