Customer Reviews

"In the midst of eschatological debates and arguments, this book provides a refreshingly fair and irenic approach to a difficult and sensitive topic. It will certainly help the reader to understand the breadth of theological issues involved in discussing the end times. Most importantly, it places the reader's attention on the issue the Scriptures emphasizes: the glory of God and His faithfulness to His Word. Having this biblical perspective makes this book a must read for those in the church to rightly grasp the content and beauty of eschatology. --Dr. Abner Chou, Master's College, Santa Clarita, CA"

"For decades, Christians have taken one side or another in the interpretation of the Bible's future events. I like the 'different views' approach because it allows believers to think and decide for themselves. Timothy's work avoids speculative extremes and helps us understand end-times prophecy from start to finish. I love the charts, diagrams, and pictures!" --Dr. Hal Seed, founding pastor, New Song Community Church, author of *Future History: Understanding the Book of Daniel and End Times Prophecy*

"It doesn't take long for a discussion of the end times to get kooky, hyper-complex, or both. If you're afraid to talk about the last days because you're afraid you'll wind up gazing at byzantine prophecy charts or listening to someone talk about how you ought to be storing up food and weapons, this book is for you. Timothy Paul Jones, one of the most brilliant scholars in the Christian world, takes the words of Jesus seriously, all of them, including the ones about the end. He takes them so seriously that he refuses to hide them under a bushel of scholarly jargon or of sensationalistic hype. Read and be blessed." --Russell D. Moore, Provost, The Southern Baptist Theological Seminary

Award-winning author Dr. Timothy Paul Jones has bachelors and masters degrees in biblical literature and pastoral ministry, as well as a doctorate in educational leadership. He is a professor at the Southern Baptist Theological Seminary in Louisville, KY. In 2010 he won the ECPA Christian Book of the Year award in the Christian Education category for *Christian History Made Easy*.

A very good treatise on End Times Prophecy. Covers all of the major viewpoints, does not cater to any one particular view. Using it now as a teaching tool for a class on End Times Prophecy. Allows the reader/teacher to explore all the major viewpoints and come to their own conclusions/views.

An good look into the different views of end times prophesy. I did learn some things I did not know. Overall, a great read for anyone who is a new Christian or someone who doesn't think they know enough about end times prophesy.

I needed this book for class at Baltimore School of the bible. It is a beautiful book full of colorful pages that definitely hold my interest. It arrived on time which was a plus. To God Be the Glory!

Another excellent product from Rose. Always great quality, and as unbiased as I've seen.

We are using the guide in our Sunday School Class, we actually just started, thus far the guide is great.

I can't wait to begin studying with my class on Sunday morning.

A good source for the most common views on the end-times.

Good book on prophecy!
