Copenhagen has a large number of attractions so it can be hard to know which are really worth a visit. In this guide you will find our Top 20 to the must see sights on a trip to Copenhagen. It is like a fairytale city and just strolling around enjoying the atmosphere, and seeing the sights is a fantastic way to spend a day. It is a city of fascinating architecture, an interesting royal family, and full of Danish  $\text{Ã¢} \text{Æ}$ hygge $\text{Ã¢} \text{æ}$ . Hygge translates roughly to coziness but is much more than that. It is what happens when surrounded by your friends and family. It is candles burning on a dark winter $\text{Ã¢} \text{æ}$  night. It is what you will discover if you find yourself in a bar with locals. It is the reason you will return to Denmark time and time again!
