ISBN-13: 978-2067171640

Product Dimensions: 4.6 x 0.3 x 10.1 inches

Shipping Weight: 0.8 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 34 customer reviews

Best Sellers Rank: #78,785 in Books (See Top 100 in Books) #9 in [Books > Travel > Europe > Switzerland](#)

Customer Reviews

GPS is great but with a map you have the chance to see the lay of the land, and that is important to me. I know Switzerland well, my x ordered it, but in the end, I had the chance to come down a few mountains even more back than I already knew. Like to drive with my nose, and sense direction, it occasionally gets me on very tiny roads..... maps help then, particularly a Michelin!

Used this map extensively on our recent trip to Switzerland. We did not drive, but used it as we traveled by train and bus. A great map for orienting oneself in the country. If you are staying a while in one canton, a canton map would be more useful, just as a state map would be in the US.

The map was exactly what I needed to study and orient myself to the geographical locations of Switzerland.

Exactly what I needed.

helpful in my travels

Very good map, quite detailed but I think the Hallwag maps are better, more detailed and the map itself is easier to physically handle

served the purpose

Print quality is good but the paper is so thin and fragile that I will have to buy another map shortly. Tears easily.
