Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. The CLEP® Social Sciences and History test prep assesses the skills tested on the official CLEP® exam. Our comprehensive review chapters cover: political science, sociology, economics, psychology, geography, anthropology, western civilization, world history, and U.S. history. The book includes 3 full-length practice tests. Each exam comes with detailed feedback on every question. We don't just say which answers are right, we explain why the other answer choices are wrong, so you can identify your strengths and weaknesses while building your skills. Two of the book's practice tests are also offered on our interactive TestWare CD and give you the added benefits of timed testing, automatic scoring, and diagnostic feedback. We help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn college credit, save on tuition, and get a college degree.
