Another wonderful collection from Random House

I Got this book to give myself a history lesson about joker in the Batman world . It was nice to read the back story to get a clear picture on the man with a killer smile!

Great!!!

I find it interesting that no one really knows the Joker's real name.

Arrived as expected. Item was as describe.

great

A++++++

So entertaining, if you are a huge Joker fan this is definitely for you. Great condition and fast shipping

It's awesome, but the last story is just part one of several. "death of the family", ends on a cliffhanger.
