# Uruguay (Discovering South America: History, Politics, And Culture)

## Synopsis

Uruguay, a small country of about 3.3 million people, is located between Brazil and Argentina along South America's southeastern coast. Today, it is considered one of South America's most stable and prosperous countries. There's a lot to discover about Uruguay! Each title in this series contains color photos, maps, a chronology of events related to the country, recipes, list of festivals, ideas for projects and reports, and back matter including: an index, further reading lists for books and internet resources, and a series glossary.
