Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

This map is 26" x 38" and printed on one side. The stiff folding cover should protect it well as you carry it around. The printing is clear and there is a thumbnail write-up of Chittagong and Dhaka. The index is seemingly complete. It is quite adequate for my use as an armchair traveler. It would have been better with thicker paper like the Globetrotter travel maps.
