Customer Reviews

I have always longed to visit Cape Cod, definitely on my list of places to see. After reading: Cape

Cod in a Clamshell, I want to visit even more! Laurie Bain Wilson has been a frequent visitor to the Cape area for many years. She highlights many of her fav restaurants, cafes, shops and businesses in a personable and entertaining way. I'm taking off one star as this is a very short reference book. Would have been nice to have it a bit longer with more suggestions. Some photos would have been helpful too. But if you are looking for an insider's guide to the Cape Cod area, definitely worth checking out. Geraldine Helen Hartman, author of: Laughing AT the Grim Reaper! Gems of Wisdom for Aging Well

Our family of 5 loved the guide. Only issue was that it was too short. Making 1 of these for every area of the Cape would be great.
