Synopsis

INTRODUCTION It is natural in this life that people will suffer worries and stress, because this world is a place of disease, hardship and suffering. It is also natural in this life that people have to put up with suffering and hardship for various reasons, as is indicated in the Qur'ân: Man has been created weak. An-Nisa 28 The Prophet [PBUH] said: "Whatever the disease, Allah Ta'ala has created a medication for it, regardless of the fact that some men may come to know what this medication is and others may not." It is also natural that people have their own problems, worries and diseases in this life, but what should count is how one deals with all of them. The believer will seek solutions to such worries in the Holy Qur'ân and Sunnah where there is the true remedy. This book contains rescriptions for problems, worries, disease and much more; the sources being the Holy Qur'ân and Sunnah, as well as the experiences of the pious, as long as they are in accordance to the Qur'ân and Sunnah.
