## Synopsis

A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, The "S" Files is a children's Christmas musical your kids will love performing.

## Customer Reviews

I have been working and teaching out of the Hanon exercise books for a while now, and love them, but decided to incorporate Czerny into my own study. Hanon exercises get the fingers moving for sure while training the eyes and ears for recognizing intervals quickly. Czerny begins right away with beautiful runs and arpeggios that are put together with such beauty. It just makes you go "ah", as you play, and that's all I can say. It makes practice enjoyable. In my opinion, both Hanon and Czerny are a must!

Excellent - just as I remembered. Gave my one and only copy to my granddaughter. These exercises keep the fingers limbered up and the retired brain moving!

Great piano literature, challenging etudes. A little boring as concert rep but still valuable.
