Stick Dog Slurps Spaghetti

Synopsis

It's slippery. It's slurpable. It's spaghetti! Perfect for fans of Big Nate, Diary of a Wimpy Kid, Timmy Failure, and the previous Stick Dog books, Tom Watson's hilarious Stick Dog Slurps Spaghetti will be gobbled up even by reluctant readers. Stick Dog and his gang of hungry hounds want to play tug-of-war. Their search for rope leads to something even better—spaghetti! Once they get a taste, they must get some more. It will be their most difficult mission ever—and will demand all of Stick Dog's problem-solving skills. They'll need to scale the tallest mountain in the suburbs and sneak into a restaurant filled with people. Dangerous humans—a strange-talking girl, a huge chef, and a penguin-man—lurk around every corner. But there's more than danger in the air. Stick Dog has caught the scent of something even more scrumptious than spaghetti. And he'll risk everything to find out what it is.

Tom Watson lives in Chicago with his wife, daughter, and son. He also has a dog, as you could probably guess. The dog is a Labrador-Newfoundland mix. Tom says he looks like a Labrador with a bad perm. He wanted to name the dog "Put Your Shirt On" (please don't ask why), but he was outvoted by his family. The dog's name is Shadow. Early in his career Tom worked in politics, including a stint as the chief speechwriter for the governor of Ohio. This experience helped him develop the unique, storytelling narrative style of the Stick Dog books. More important, Tom's time in politics made him realize a very important thing: Kids are way smarter than adults. And it's a lot more fun and rewarding to write stories for them than to write speeches for grown-ups.

My 11 year daughter reads the stick dog books over and over. If an adult reads one to their child they would even be amused. Funny! Although in some ways its a little young for my daughter on reading skill level the quirky humor makes it one of her favorites. I think kids from 7 - 12 depending on maturity and reading skill would most enjoy it. Hard to find books kids don't want to put down. Stick Dog books deserve a good review!

The kids and I enjoyed the original Stick Dog book so it was easy for me to choose this for my reluctant readers. Not to mention that I enjoy reading to my youngest and dogs stories are attention-getting around here. Will be reading other Stick Dog books as well as Stick Cat.

My 8 year old son absolutely loved this book!!! We had to get all of the Stick Dog books. I even got a few laughs from them!! They are funny but they also teach valuable life lessons. Stick Dog always puts his friend first and is always looking out for them. Great books!!!
